WHY AMADEUS?

FAMILY-OWNED COMPANY

With over 40 years of experience as a family-owned river cruise line, AMADEUS seamlessly blends tradition and forward-looking innovation. This passionate expertise ensures absolute reliability and a dedication to creating exceptional travel moments.

ONE OF EUROPE'S YOUNGEST FLEETS

As one of Europe's youngest and most advanced fleets, with a new vessel every year, we ensure the highest standards of technology, design, and on-board comfort – delivering a future-oriented cruising experience defined by quality and innovation.

AMONG THE LARGEST STATEROOMS

As one of the most spacious in European river cruising, our luxurious cabins provide a true private sanctuary. The passing scenery becomes a fully immersive experience as the fresh river breeze flows through the walk-out balcony or the drop-down panorama window, creating unforgettable moments for your guests.

CULINARY EXCELLENCE

The diverse regions along each itinerary are celebrated with freshly prepared, locally inspired cuisine. Carefully selected wine pairings and a strong focus on quality create a refined and authentic dining atmosphere.

EXCEPTIONAL ONBOARD SERVICE

First-class service and genuine hospitality define the AMADEUS experience. With intuitive attention to detail and heartfelt care, our dedicated crew ensures your guests feel welcomed and well looked after from the very first moment.

TAILOR-MADE EXCURSIONS

Each journey is complemented by a tailor-made excursion program, offering a wide variety of ways to experience every destination. From cultural discoveries to authentic local encounters, the range of options allows for a well-balanced and enriching travel experience.

OUTSTANDING VALUE IN THE PREMIUM SEGMENT
